To

Secretary to Government of Mysore,
Development Department, BANGALORE

Sir,

I have the honor to forward herewith correspondence ending with Memo NO R2 C 827/36-37 dated 11th November 1936, received from the Sub Division Officer, Davangere, in the matter of the levy of Municipal assessment on M & S M , Railway buildings situated within the municipal limits of Harihar Town and to state as follows -

On a reference received from the Sub Division Officer Davangere, during the recent revision of assessment on buildings and lands in June 1936, in Harihar Town, he was instructed to levy assessment on these buildings, in the absence of any orders granting exemption from such levy He reports that on a reference made by the President, Harihar Town Municipal Council, to the Agent, M & S M , Railway in the matter, a reply was received stating that the Railway company was not liable to pay any tax on buildings and lands, as they are situated within the land set apart for the Railway and that full jurisdiction over the land has been ceded by the Mysore Durbar to tne Government of India and as such the properties of the Railway Company included in the municipal limits of the Harihar Municipality are not liable to pay kandayam Letter NO M 2574/36 dated 23-9-36 addressed from the Agent, M & S M , Railway to the President, Harihar Municipal Council is enclosed in the file for kind reference But no exemption seems to have been granted in this behalf under the rules mentioned in the Municipal Account Manual or in the Schedules mentioned on page 214 - M A M ,

P T O

M A M , exempting certain items from being taxed Under foot-note 2 to rule 28 M A M , even the buildings belonging to the Mysore Railways situated within the municipal limits have to pay assessment and under note 1 to rule 28 mentioned above, municipal tax will have to be recovered on all buildings used for residential purposes and departments run on commercial lines if the same is not already being recovered

The Railway Company is run on commercial lines and there are no specific provision to waive the payment of municipal tax on the buildings belonging to the M & S M Railway Company so long as they are situated within the municipal limits As such, it looks that these buildings have to pay municipal tax

In these circumstances, I request instructions of Government in the matter

I have the honor to be,
Sir,
Your most obedient servant
